

HAVE A REFERRAL

Know someone who wants their home lit up?

Send them our way. Refer a friend, family member, or neighbor and earn a \$200 BILL digital gift card once their installation is complete and their invoice has been paid in full.

A promotional graphic for the referral program. It features a dark background with a faint image of a modern interior. In the center, the text 'REFER & EARN' is above a large '\$200'. Below that, it says 'Earn a \$200 BILL digital gift card for every qualifying referral.' and 'GIFT CARD BY' followed by the 'bill' logo. At the bottom is a yellow button that says 'Refer a Friend'.

How it works

01 **Send Your Referral**

Hit the Refer a Friend button and share your friend, family member, or neighbor's name and contact info.

02 **We Reach Out**

Our team contacts them directly to schedule a free consultation and on-site assessment.

03 **They Get Installed**

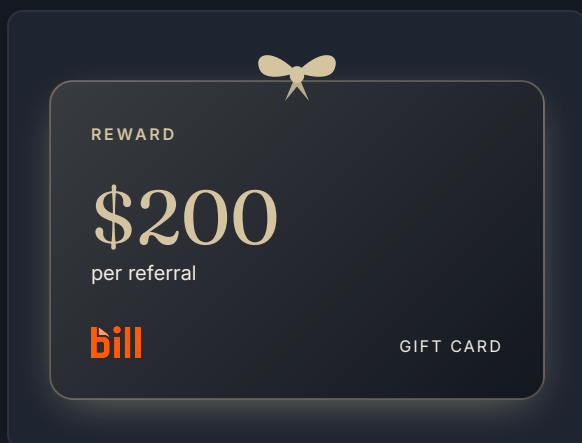

Once their permanent lighting system is fully installed and their invoice has been paid in full, the referral qualifies.

04 **You Get Paid**

Once your referred customer's installation is complete and their invoice has been paid in full, we'll send you a \$200 BILL digital gift card within 14 business days.

REFER & EARN

Reward details

FORMAT

Digital BILL gift card

PAYOUT TIMING

Within 14 business days after installation is complete and the invoice is paid in full

REFERRAL LIMIT

Unlimited. Earn every time.

The 14-business-day payout period starts when the second of these two conditions is satisfied: completed installation and full invoice payment. Full payment means the project invoice with Chipr is settled, not the homeowner finishing a separate lender repayment schedule.

Each referral must satisfy the eligibility requirements. Only the first submission counts.

QUALIFIES

- ✓ Referred person is a new Chipr Lux customer
- ✓ Submitted through our official referral form
- ✓ The referred customer's installation is complete and their invoice has been paid in full.
- ✓ Commercial properties qualify for the same \$200 reward, subject to both completed installation and full invoice payment, plus the other referral eligibility requirements.

DOES NOT QUALIFY

- × An address already in our system or with an assessment already in progress
- × Referrals outside our current service area
- × Same referral submitted more than once, only the first submission counts

Cards expire 180 days after issue. Rewards are not redeemable for cash. Chipr Lux reserves the right to modify or end this program at any time.
